- 2) Final Step - Payment

There is a link to pay on our schools ASB store at the end of the google form above, but I have included the link and thorough instructions here to assist you with the process.

You Can Pay with CC (by following the steps below), cash or check, mailed or delivered to the school.

Step 1 - Click on this link

Step 2 - Click **“My Account”** in the right hand corner - if you have never shopped on this site or never created an account - please go through the steps to do so, and **verify your account via the email they will send you**. Once your account has been created, please sign in to the website. **This step is very important - without an account the system cannot send you a receipt for your payment, and we cannot see who the payment is from - there will be NO name attached.**

Step 3 - Once you have **YOUR account** - Go to the product categories drop down menu and select **Buena Park FFA** from the list

Step 4 - Click **view details** on whichever package you would like to select

Step 5 - Put **YOUR NAME First and Last** in the Name box and enter the quantity of packages you would like to receive

Step 6 - Click **Add to Cart**

Step 7 - Click on **“your cart”** on the upper right hand corner and then click checkout, and follow the CC entry process

This process should ensure that you receive a receipt and that we know who is purchasing what packages.

We look forward to brightening your days with our floral designs! Thank you for your support and stay tuned for updates regarding night time Make n Take classes beginning in **October** with

an awesome succulent filled pumpkin!

Looking forward to hearing from you,
